RE: *File No. 15-R-139; Wahoo Airport Authority; William H. Foster III, Petitioner*

Dear Mr. Foster:

This letter is in response to your email correspondence sent via the AGO-Department of Justice website on September 14, 2015. Your petition specifically seeks our determination as to whether the Wahoo Airport Authority ("Authority") provided you a "written explanation that included the earliest practicable date for fulfilling the request, as required by Statute 84-712-04(C) [*sic*]." Your petition relates to an underlying public records request which you submitted to the Authority on or around July 20, 2015, and which the Authority fully resolved on August 27, 2015.

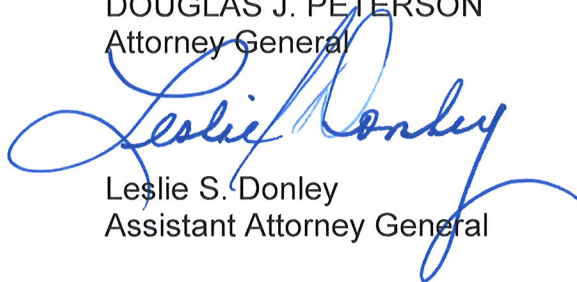

As you are aware, we have already considered a petition which you filed with this office pertaining to this particular public records request. In our disposition letter to File No. 15-R-137, dated September 8, 2015, we indicated that since you had received the document at issue, you had not been improperly denied access to public records. We declined to take any further action on the matter and closed the file.

Your petition for further review on this matter is denied. We do not reconsider our dispositions on these matters once issued and the statute does not contemplate that we do so. If you disagree with our findings set out in this letter, or in our letter of September 8, 2015, you have the option under Neb. Rev. Stat. § 84-712.03 to pursue this matter in a court of law.

Sincerely,

DOUGLAS J. PETERSON
Attorney General
